

Zeta Compact Fixed LED Highbay

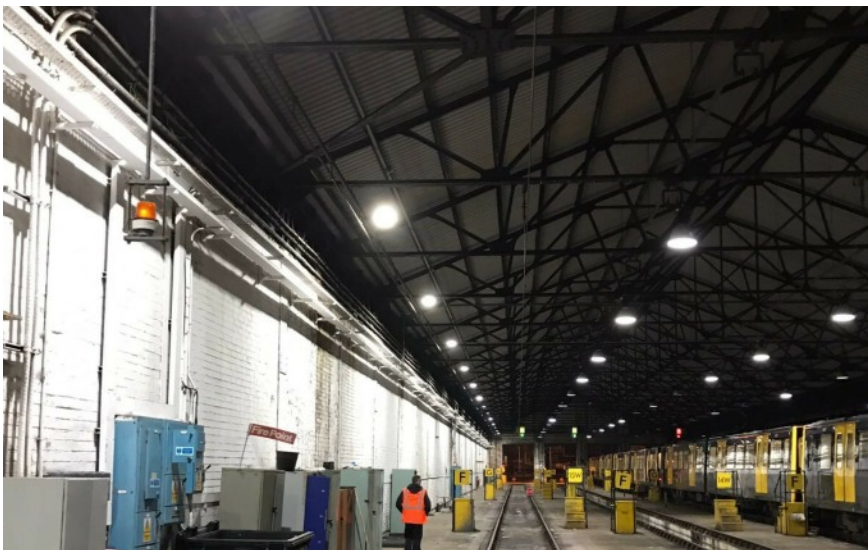

zeta
Specialist Lighting

The Compact Fixed LED Highbay from Zeta Specialist Lighting is a versatile solution for interior and exterior highbay lighting.

The use of high quality Philips LEDs means that the highbay can achieve a lumen output of >130lm/W. The product is available in a range of wattages suiting applications such as sports halls, distribution centres, retail settings, refrigerated storage and warehouses.

With a modern design, the highbay offers an aesthetically pleasing fitting whilst producing highly efficient LED illumination, with anti-glare properties and IP65 protection.

The highbay benefits from adjustable mounting angles making it the ideal practical solution.

Features:

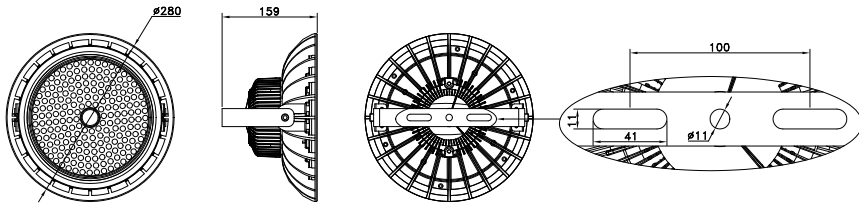

- Excellent light distribution
- Easy to install
- Accelerated heat dissipation
- Lightweight solution
- IP65 rated
- Integrated design
- Modular structure
- High lumen output

Applications:

Interior & Exterior:

- Warehouses
- Industrial areas
- Sports halls
- Retail
- Exhibition centres
- Airports
- Refrigerated storage

Specifications

Wattage (W)	80W	100W	120W
Dimensions (mm)	Ø 380 x 240		
Lumen Output (lm)	11,200lm	14,000lm	16,800lm
Colour Rendering Index (CRI)	>80		
Power Factor	0.9		
Colour Temperature (CCT)	5700K*		
Warranty	3 Years**		
IP Rating	IP65		
Weight (kg)	2.6kg		
Beam Angle	120°***		
Ambient Temperature Range (°C)	-40 to +50°C		
Average Rated Life	50,000 hrs		
Input Voltage (V)	230V AC, 50/60 Hz		
Driver	Meanwell HBG		
Dimmable (y/n)	N		
Emergency (y/n)	N		

*Other colour temperatures available upon request

**Standard warranty period is 3 years, once registered the warranty increases by a further 2 years.

***Other beam angle options available upon request
