

# Zeta LED Bollard Uplighter

**zeta**  
Specialist Lighting

The LED Bollard Uplighter from Zeta is the perfect retrofit solution for all UK bollard bases.

The 10W Zeta ZD works along side the IP65 rated driver and incorporated photocell, all working together to allow automatic illumination when needed.

The ZD gives even illumination and eliminates spotting as the light travels up the bollard unit. It also incorporates the latest Chip on Board (COB) technology, providing an ideal, long-life LED solution.

The product allows for easy installation and dramatically reduces maintenance costs.

## Features:

- IP65 rated
- No spotting
- Easy to install
- Robust
- Incorporated photocell
- Energy and cost saving
